Variety: Shiraz

Blue Gold Show: *2009 Sydney International Wine Competition*

An international panel of 14 judges from 7 countries judged our wines alongside 2,100+ entries during October 2008. The 2005 Progeny Blue Gold award indicates that the wine when judged alongside appropriate food was appointed into the **top 10% of total entries**.

Show: *2008 National Cool Climate Wine Show*

There were only two other wines that achieved higher than our 2005 Progeny in the class the wine was entered in (ie Class 5020: Dry Red – Shiraz – 2005 & Previous vintages). No tasting notes are available.

Show: *2008 Winewise Small Vignerons Wine Show*

“This is a fresh, very approachable, faintly spicy shiraz that reflects subtle oak and tannin management. An impressive short term wine. (\$20.00) Excellent value. SILVER, 14.7% Screwcap”
